Let me talk about myself First

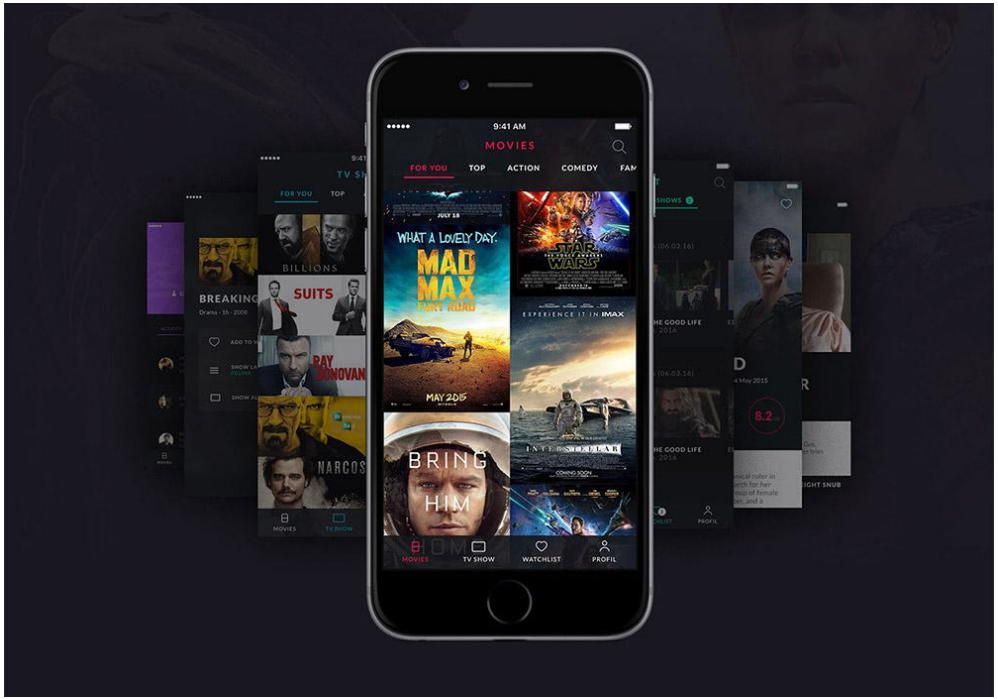
Sara Adas …. **I am a Movie Addict** … my dream is to be a movie and series blogger , but i was having a trouble searching about the movie details

Sometimes it was easy but sometimes not so i decided to collect all the data matters people and put it in one place

Let me talk about it to make this clear

Due to some competitors i thought about extra features such as :

- no ads
- Focus on old specially Arabic
- Focus on Arabic language
- Soundtracks , pictures , background and Quotes for each movie/series
- Pure and real description specially for family guide and ratings
- Discussion section and QA for people who missing something or want suggestions
- Watch list and watch monitoring
- Direct link to where to watch (platform)
- Direct link to download



BUT WAIT
THERE'S MORE!

- Birthday,occasions,important events movie suggestions
- Downloading a series package
- Notifications on updates depends on interests
- Related movies/series depends on what you have watched or similar topic
- Discussion channels for fans
- Add/follow users
- Chat bot for lazy searchers
